# Marsch **2017** für das Leben

Berlin · 16.09.2017

## Everyone is precious

### ■ If that is right ...

.. it is true before birth, for sick people and the elderly.

... it is outrageous to offer death as a solution to people in need.

... it is high time to become active on behalf of all these people.

### ■ Because it is right ...

... we must stand up and march!
